

Special Event License Plate Application

The LPGA State Farm Classic will once again offer special event license plates to promote the tournament. These plates can be displayed on your vehicle from April 15th through June 13th. Eligible vehicles that can display these plates are Passenger Vehicles, B-Truck or Recreational Vehicles (under 8,000 lbs). All vehicles must be currently registered in the State of Illinois. However, a set of these plates can be purchased for display purposes only, even if you are not an Illinois resident.

If you are interested in obtaining license plates for your vehicle, please complete the attached application as this information must be submitted to the Secretary of State's office prior to the plate's display. **Please note** the information below:

- All plates will be **shipped** directly to each individual applicant's address listed on the attached application from the Secretary of State's office. The Tournament Office will not be able to distribute the plates.
- Each application must be associated with a valid **COPY OF YOUR CURRENT VEHICLE REGISTRATION FORM.**
- **Important:** If your current registration expires during the months of March, April, or May you will need to renew your sticker before you submit your application. All expiration dates must be 2011, unless your sticker expires in June, July, August, September, October, November or December of 2010.

Since the Secretary of State will be shipping the plates directly to each applicant, there will be a \$5.00 per plate fee for shipping and handling. This will bring the total to \$40.00 per plate delivered directly to your designated address.

Please mail your check for \$40 (payable to **State Farm Classic** to cover the cost of the license plates and shipping & handling), **A COPY OF YOUR CURRENT VEHICLE REGISTRATION** and the attached application to the Tournament Office no later than **March 26th, 2010.**

Quantities are limited, so please respond quickly!
